Subject:	Thank you!

Mr. Prime Minister,
Thank you very much for meeting us on Monday and for the great dinner last night.
Not only did our guests deeply enjoy their time with you, but for Evan and me it continues to be a rare privilege to spend time with, and learn from you.
I particularly enjoyed our conversation on Monday, and look forward to following up. Thank you for being so clear about ways we can cooperate. Though the investor space does not appear to be a place where we can cooperate, that leaves a huge swath of other industries where we can make money together.
I look forward to seeing you soon, and thanks again!
R.P.
